

OUR CUPS RUNNETH OVER

The golf world marveled as the best players in the world endured the course and the weather for an historic 2016 PGA Championship. But our Baltusrol Inter-club teams also enjoyed an historic year. For the first time, Baltusrol holds the Hoffman Cup, the Carpenter Cup, and the BP Russell Cup all at the same time! The Hoffman Cup is contested by 30 clubs in New Jersey over several spring weekends. The clubs are flighted and play home and away matches, all at scratch, to determine flight winners that move onto the finals. Battling through some tough weather, Baltusrol prevailed in the finals at Mountain Ridge over our nemesis, Black Oak. The Carpenter Cup is a three-way match played in the fall among Baltusrol, Saucon Valley and Merion. Each 16-man team plays a Stableford format to determine the winner. The BP Russell Cup is contested annually between Baltusrol and Robert Trent Jones Club in Manassas, Virginia. It is a two-day event in which 12-man teams play four-some and individual better ball matches. Never before have all three cups resided on Baltusrol property at the same time. Congratulations to all who participated!
